With the Savin® AC205L/AC205, small offices/workgroups can manage their document production tasks just like their larger counterparts. In one affordable package, the AC205L/AC205 offer advanced copier and printer functionality, full-color and black & white scanning and high-end Super G3 Fax capabilities. And, with an easy-to-maintain All-in-One Toner Cartridge, your office will never be the same!

## Optimized Output Productivity

Whether you're copying or printing, the Savin AC205L/AC205 offer streamlined document production featuring a swift 22 page-per-minute throughput speed. Plus, thanks to an ample paper capacity of up to 550 sheets, you'll enjoy uninterrupted copying and printing. And you'll be able to offer convenient document input and output capabilities for visiting field personnel via the standard USB Flash Drive Port, enabling users to print documents from—or scan documents to—a USB flash drive.

Working as a Digital Copier...the AC205L/AC205 provide the convenience of multiple original scanning via the standard 50-sheet Automatic Document Feeder. Plus, a variety of budget-friendly capabilities combine to reduce paper and hardcopy storage costs, including two images on one page, which allows users to copy information from both sides of identification documents—such as driver's licenses and insurance cards—onto a single side of paper.

Working as a PCL6 Network\* Printer...the AC205L/AC205 offer fast PC or Network\* connections via standard USB 2.0, Ethernet\* or Parallel interfaces. Seamless integration with today's popular operating systems and business software ensures optimum user productivity. And it's easy to remotely manage and monitor the AC205L/AC205 using the standard Web Image Monitor Type 103\* utility.

## Sophisticated Scanning Technology

With the AC205L/AC205's Full-Color and Black & White Network\* Scanning functionality, you can incorporate hardcopy images, photos and logos into electronic files for enhanced document presentations. With Scan-to-Email, you can scan full-color or black & white documents and then send them over the Internet via Outlook Express. Users can also scan hardcopy documents directly to the USB Flash Drive Port—a great way to store documents. And standard easy-to-use Readiris Pro 9 OCR software greatly enhances the AC205L/AC205's overall scanning functionality.

## Fine-Tuned Communications Capabilities

Super G3 Fax functionality speeds documents to their destinations in as little as 3 seconds per page. Quickly set up fax options and phonebook entries from your PC using the Printer Settings Utility. Finally, a generous 43-Hour Fax Memory Backup preserves important fax communications in the event of a power loss.

For more information about the Savin AC205L/AC205 Digital Imaging Systems, contact your authorized Savin dealer.

\*Network capability on AC205 only.

## ENGINE SPECIFICATIONS

Imaging Process	Laser beam scanning/marketing & electro-photographic printing; Dry, mono component toner development
Reading Element Configuration	Flatbed with CCD array image sensor
Resolution	Desktop 600 x 600 dpi
Grayscale	256 levels
Document Feeding	50-sheet Automatic Document Feeder (ADF)
Paper Supply	250-sheet Tray/50-sheet Bypass
Paper Weight	16-24 lb. Bond (Paper Tray); 16-43 lb. Bond (Bypass)
Output Tray Capacity	150 sheets
Power Source	100-127V/60Hz, 5A
Dimensions (WxDxH)	17.7" x 17.1" x 18.0"
Weight	37.5 lbs.

## COPIER SPECIFICATIONS

Warm-Up Time	Less than 42 seconds
First Copy Speed	10 seconds (Platen); 15 seconds (ADF)
Multi Copy Speed	22 copies/minute
Quantity Indicator	1-99
Original Type	Sheet/Book
Original Size	Up to 8.5" x 11" (Platen); Up to 8.5" x 14" (ADF)
Copy Size	8.5" x 11" to 8.5" x 14" (Paper Tray) 7.25" x 10.5" to 8.5" x 14" (Bypass Tray)
Reproduction Ratios	25%, 50%, 71%, 78%, 83%, 94%, 104%, 141%, 150%, 200%, 400% (Platen) 25%, 50%, 71%, 78%, 83%, 94% (ADF)
Zoom	25-400% in 1% increments (Platen) 25-100% in 1% increments (ADF)
Memory Capacity (Std/Max)	32 MB/160 MB
Copier Features	Auto Start, Combine/ID Copy, Electronic Sort, Image Repeat Copy, Poster Copy, Text/Text Photo/Photo Mode

## FACSIMILE SPECIFICATIONS

Circuit	PSTN/PABX
Compatibility	ITU-T G3
Resolution	203 x 98/196, 300 x 300 dpi
Compression	MH, MR, MMR, JBIG, JPEG (color faxing)
Scanning Speed	2.5 seconds
Modem Speed	33.6 Kbps
Transmission Speed	G3: 3 seconds*, **
Memory	4 MB/320 pages*
Fax Features	Dual Access, Forwarding, Quick Dials (40), Send Later, Serial Broadcasting, Speed Dials & Group Dials (200 shared), Telephone Directory

\*Based on ITU-T Test Chart #1 in standard mode.  
 \*\*Approximately 3 seconds per page at 33.6 Kbps is dependent on optimal line quality. Customer performance may vary by location.

## PRINTER SPECIFICATIONS

Print Speed	22 ppm
Interface	USB 2.0**, IEEE1284 Parallel**, Ethernet*
RAM Memory Capacity	32 MB/160 MB (Shared)
PDL	PCL6
Resolution	600 dpi
System Requirements	Windows 98/2000/NT4.0/Me/XP
Printer Features	Layout (N-up), Poster, Watermarks

\*Network capability on AC205 only.  
 \*\*USB and IEEE1284 are not simultaneously supported.

## SCANNER SPECIFICATIONS

Scanning Device	Flatbed Color CCD
Resolution	600 x 600 dpi
Grayscale	256 levels
Compatibility	Network* and TWAIN standard
Scan Modes	Black & White (1 bit); Grayscale (8 bit); 256 Colors (8 bit); True Color (24 bit)
Maximum Original Size	8.5" x 14"
PC Interface	USB 2.0**, IEEE1284 Parallel**, Ethernet*

\*Network capability on AC205 only.  
 \*\*USB and IEEE1284 are not simultaneously supported.

## TWAIN DRIVER\* & PC REQUIREMENTS

Operating System	Windows 98/2000/NT4.0/Me/XP
Memory	64 MB or more/128 MB for Windows XP
CPU	Pentium II 400 MHz or more/Pentium III 930 MHz for Windows XP
HDD	More than 300 MB of disk space is required/1 GB for Windows XP
Color Control	Yes
Image Rotation	Yes

\*TWAIN Driver supports multi-page scanning by one-click from ADF only.

## OPTIONS

PS610 Paper Bank (250 sheets x 1), 32 MB Memory, 128 MB Memory
